### Memo

Out of the lapses of IV and V Backward, and A and B Grade Depressed Scholarships reported by the District Ad Hoc Scholarship Committees and out of the reserve scholarship of the said grades, the students noted in the enclosed statements are subject to satisfactory progress and conduct, awarded the scholarships of the respective grade to which they are eligible under the rules. These scholarships are tenable for one year from 1st May 1920 up to end of April 1921, in the institutions where the students are at present studying. The scholarship amounts shall be drawn on scholarship bill forms by the Head Master or Principal and disbursed to the students after obtaining their acknowledgements in the Salary Acquittance Roll of the School. In the case of the aided schools, the bills should be countersigned by the Chairman of the Taluk Scholarship Ad Hoc Committee concerned before they are presented at the Treasury for payment.

Since some of the districts have not given the names of the students, for whom the additional allotments are recommended, only the number of scholarships reallocated to the several communities in those districts is mentioned in the appended list. The District Ad Hoc Committees are requested to kindly arrange for awarding these scholarships immediately to the most deserving of the students belonging to the communities for which the reallocation is sanctioned.

The Kolar District Committee is requested to submit the list of additional scholarships required for the district and the Bangalore District Committee is requested to submit the list of additional scholarships of the Depressed Class A and B grades required for the district.

C. R. Reddy

**Order No. E. 3346-9-Edn. 36-23-7, dated 23rd January, 1924**

In their order the 8th may 1917, the Government sanctioned a sum of one lakh of rupees for awarding scholarships to the pupils of the educationally backward communities with a view to encourage education among them and this sum was distributed among the several grades of education as follows:-

(Vide Government Order No. 2210-24-Edn.532-20-4, dated 3rd December 1921.)

2. Vernacular Lower secondary stage	100	4	4,800
3. Industrial and other special classes	...	...	4,200
Grand Total	...	...	1,00,000

1. The tenure of these scholarships having been fixed at ten months in the year as in the case of the other local scholarships as a measure of retrenchment in accordance with Government Order No. 1875-82-Edn. 134-21-57, dated the 9th September 1922, the allotment for the Backward Classes Scholarships was reduced to Rs. 83,300 i.e., by Rs. 16,700 with effect from 1922-23. A representation having however been made in the Representative Assembly during the Birthday Session in June 1923, for the restoration of the provision for the Backward Classes scholarships to the original sum of one lakh of rupees by the addition of the amount withdrawn as a result of reduction in the tenure of the scholarships, an additional

sum of Rs. 17,000 has been included in the budget estimates of the Education Department for the current year.

2. In regard to the utilization of the above supplemental grant of Rs. 17,000, the Inspector-General of Education has proposed that in view of the large number of applications for scholarships from pupils belonging to communities backward in education, the amount may be utilized for awarding a few more scholarships in the several grades of education retaining the original rate of scholarships, as detailed in the appended statement. Government agree with the Inspector-General of Education that instead of extending the tenure of the existing Backward Classes Scholarships with the additional allotment, the number of scholarships may be increased retaining the present rates and tenure of ten months so that the scheme may benefit as large a number as possible. They are accordingly pleased to approve of his proposal. The same principle will be adopted in respect of Backward Classes scholarships in the University also as proposed by the University Council.

3. Government are also pleased to direct that as the share of the Depressed Classes in the allotment for the Backward Class scholarships has been withdrawn and included in the separate Depressed Classes Scholarships Fund, under Government Order No. E. 6220-1-Edn. 457-22-1, dated the 21st May 1923, the sum of Rs. 4,820 due to the Depressed Classes pupils out of the additional grant of Rs. 17,000 may also be similarly separated and added to the Depressed Classes Scholarship Fund.

The Inspector-General of Education is requested to submit proposals for the utilization of this amount for awarding scholarships to pupils for the Depressed Classes at the rates approved in Government Order dated 21st May 1923.

3. Letter No. A5-5239-547 of 28-29, dated the 12th April 1929, from the Director of Public Instruction in Mysore, stating that the concession sanctioned in the Government Order read above has conduced to the spread of education among the Depressed Classes and that it is very desirable to continue the same until there has been an appreciable improvement in the Social and Economic condition of these classes and requesting sanction thereof, for a further period of 3 years from 1st July 1929 and also for exempting them from the payment of sports and library fees.

1. Government Order No. 4566-8-Edn. 268-20-8, dated 1922, issuing revised rules regulating grants to private Hostels.

2. Government Order No. D. 7711-12-Edn. 252-27-2, dated 25th January 1928, sanctioning certain additional concessions to Adi Karnataka Hostels started on a grant-in-aid basis, so as to include some provision for a grant towards boarding charges also.

3. Letter no. D1-4394-330 of 28-29, dated 1st March 1929, from the Director of Public Instruction in Mysore. Proposing in the circumstances explained a modification to the second of the Government Orders read above.

**Order No. 13690-91-Edn. 834-28-2, dated 27th June, 1929**

In the Government Order dated 25th January 1928, referred to above, Government while approving the marginally noted resolution of the informal conference of gentlemen interested in the education of Adi Karnatakas, held on 13th December 1926, directed that the following note be inserted under Rule C III of the Rules of Grant-in-aid to Private Hostels issued under the first of the Government Orders read above:-

Resolved that Hostels for Adi Karnatakas on the Grant-in-aid basis be encouraged, the usual grant allowed under Grant-in-aid Rules with half the cost of boarding not exceeding Rs. 3 per boy being given.

"Note-In the case of Hostels intended for Adi Karnataka and Adi Dravida pupils, one half of the establishment and boarding charges subject to a maximum of Rs. 3 per boarder per mensem, will be given in addition to the existing concessions". This concession will be force for three years.

Under Rule C III of the Rules of Grant-in-aid to private Hostels issued under Government order dated 1st June 1922, the grant in the case of hostels attached to Training Institutions and Hostels intended for girls and pupils of the Depressed Classes is increased up to the full cost of establishment and rent.

The Director of Public Instruction points out that the note to Rule C III of Government Order dated 1st June 1922 referred to above, does not agree in full with the resolution of the informal conference as it sanctions only half the charges (subject to a maximum of Rs. 3 per boarder) on account of the establishment and boarding together.

He therefore requests that the resolution of the informal conference may be approved in toto and that the words "the establishment" occurring in Note to government Order dated 25th January 1928, may be deleted.

Government is pleased to sanction the proposal of the Director of Public Instruction. The words "establishment and" occurring in the above mentioned note will be deleted.

Government Order No. G. 9419-89-G. M. 161-25-10, dated the 16th February 1928, directing that the, members belonging to the 'Koramar'or 'Korachar' community in the Mysore state be termed as Kuruhina Settles if they desire to be returned as such.

**Order No. G. 13171-230-G.M. 161-25-12, dated 24th  
April, 1929**

The memorialists represent that it is the people of the Bilimagga Community that are entitled to be termed 'Kuruhina Settles', and that if, as is contemplated in the Government Order read above, all members of the Koramar or Korachar Community be allowed to return themselves as Kuruhina Settles, it is likely to result in a mistaken identity of the communities in question, besides bringing down the Bilimagga people to the level of the Korachars and Koramars who come under the purview of the Criminal Tribes Regulation. On a careful consideration of the subject, Government is pleased to direct that the term 'Kuruhina Settles' be confined to the Bilimagga Community.

The Report on Public Instruction in Mysore for the year 1929-30, submitted by the Director of Public Instruction, with his letter No. L. Dis. 2202-158 of 30-31, dated 25th October 1930.

Order No. E. 1214-73-Edn. 189-30-5, dated 23rd April, 1931

Full report from P 160 to P 166

16. Scholarships and Endowments:- The total amount spent on scholarships extending those, viz. the University, was Rs.1,72,708 of which a sum of Rs.1,16,090 was for phylim, Backward and Depressed ..... scholarships. In addition, a sum of Rs.11,514 -3-0 was spent in scholarships and ..... from proceeds of endorsements.

Education of the Backward and the Depressed Classes.- Special encouragement was given as usual to the children of these classes by the award of scholarships (see below, Para 16). Clothing was also supplied to girls of the Depressed Classes who were not awarded scholarships and Government sanctioned in the case of all pupils of these classes, the continuance of the exemption from payment of tuition, examination and medical examination fees. Further, a liberal system of grant-in-aid for hostels for Adikarnataka boys has been sanctioned and the concessions under this system have also been extended to hostels for Banjar (Lambani) students. The practice of maintaining separate schools for the children of the Depressed Classes is being steadily discouraged and a large number of such schools have already been amalgamated with general schools. There were 636 separate schools with a strength of 17,090 (including 2,539 girls) during the year, as against 641 schools with 17,315 pupils (including 2,946 girls) in the previous year. On the other hand 4,680 depressed class pupils were studying in general schools, 203 of them being in the high school classes, as against 4,268 on the year previous.
